
Any one going to Vegas for the game?

Posted by bulk99 - 2007/10/07 12:00

Is any one going to Vegas for the game? Where is everyone sitting? I want to know if I am in the BYU section or Vegas section? I don't want to get beer dumped on me. Hopefully BYU can stop Frank Sommers.

The BYU fans normally outnumber the UNLV fans at the game. There will be plenty of BYU fans from LV and the surrounding area (Utah, AZ, CA). You should be in good company.

I am sitting about 8 rows behind the BYU bench so it should be pretty good.

There's a couple of us from Provo going down. We've got tickets to the tailgating party as well. Ought to be pretty fun. But I hope that we can get Frankie to run outside, he doesn't have good speed on the corners.

Which side is the BYU sideline? We are in section 105 row 3!! I was surprised at the good tickets still left when we ordered a few days ago.

For those staying around Summerlin, I would highly recommend the Suncoast breakfast buffet. It will set you back \$9, but the food is great, it's all you can eat, and every time I have went the breakfast doubled as my lunch. Plus how can you turn down all you can eat delicious bacon? The casino is more "family-friendly" if there is such a thing, than the ones on the strip.

From what my mother-in-Law say BYU would be on that side of the field. She bought her tickets off stub hub, and they said it was on BYU side of the field. I think I am in section 106 row 8 not bad tickets

Going with a group of 20.

I am still looking for a place to stay though. Any ideas? Saturday night doesn't look like a good time to stay in Vegas.

I'm in section 107, Row 4

I think section 107 should be primarily BYU fans. For that matter, I think every section should be primarily BYU fans!!!

Tickets to the tailgate party?

You said you got tickets to the tailgate party. Which party is that? A BYU sponsored one?

Thanks.

I'm going to the game with my wife, 4-month baby girl, and her parents & siblings. Same as the UCLA game (but with a better result this time!).

are you serious???? me too!!! lol. I bought my tickets off stub hub. I'm like right to the isle, so I'll probably see you. even though I won't know it.... lol

I'll be heading down saturday, after football of course.

I'm still trying to get a hotel, like somebody said, this saturday is not a good day to find a hotel in vegas. I'll keep tryin though

^^Ha Ha, well maybe we will run into each other^^ The best way we have found a hotel is to use a program called travelaxe. It will search for the lowest price on each hotel.

For all of you looking for a hotel here is a good idea... Check out Mesquite. If you don't mind driving 45 minutes after the game you can get a hotel room cheaper than one in Vegas or St.George. I don't know weekend rates but weekday rates are around 30 a night.

No answer yet on the tailgate

Posted by AF_Puma - 2007/10/10 07:07

It was mentioned that someone had tickets to the tailgate and the question has been asked twice as to what that refers and there has been no answer.

Is that a Cougar Club only tailgate party? I remember the game two years ago that there was a BYU tailgate party, but I don't remember who sponsored it, I just remember that Tom Holmoe was there.

Due to the horrible traffic flow to the stadium, it would be nice to be able to attend a tailgate party and get there early.

So any information on that would be appreciated. I'm going down from Utah County with my adult son.
