
Anyone have ESPN Insider?

I'm interested to see what ESPN has to say about the bowl predicament and where BYU might stand according to the big boys. <http://insider.espn.go.com/ncf/insider/news/story?page=bcs077>. Based on the BYU Team webpage on ESPN, they talk about us in that article. Anyone with Insider access want to copy and paste the story for the rest of us?

I have access, but it doesn't say anything about the cougars in that article.
