
AIRWOLF = SPAM

Posted by UnderRated_Cougars - 2007/12/04 12:11

The definition of Spam:

"a disruptive message posted on a computer network or sent as e-mail."

I am relatively new here, but I am already done with airwolf. His contradictory statements should be considered the same as spam; not worth the time it takes to read them. Isn't there anyway to block his posts, or delete them automatically?

Nothing but self-discipline. You now know what kind of beast Airwolf is. Simply ignore him.

I choose not to respond to him (although I will on occasion). For the most part I think he posts just to get a rise out of people. But every so often I think he makes a good point. The issue I have is that he seems to think many of us are oblivious to the points he is trying to make (i.e. we all know the MWC is a bad conference and has a bad TV deal, but those things don't mean BYU is a bad team, etc). I think very few people on this sight would actually defend the merits of the MWC, but he seems to think we all think the MWC is on a par with the SEC.

So ignoring him is probably the best course of action.

Did you ever have an annoying sibling that you would just completely ignore and eventually they would just leave? That is the best Airwolf solution.

Scene: A cafe. One table is occupied by a group of Vikings wearing horned helmets. Whenever the word "spam" is repeated, they begin singing and/or chanting. A man and his wife enter. The man is played by Eric Idle, the wife is played by Graham Chapman (in drag), and the waitress is played by Terry Jones, also in drag.

Man: You sit here, dear.

Wife: All right.

Man: Morning!

Waitress: Morning!

Man: Well, what've you got?

Waitress: Well, there's egg and bacon; egg sausage and bacon; egg and spam; egg bacon and spam; egg bacon sausage and spam; spam bacon sausage and spam; spam egg spam spam bacon and spam; spam sausage spam spam bacon spam tomato and spam;

Vikings: Spam spam spam spam...

Waitress: ...spam spam spam egg and spam; spam spam spam spam spam spam baked beans spam spam spam...

Vikings: Spam! Lovely spam! Lovely spam!

doesn't mean it is worth reading. So, I ignore those who I do not find worth wasting my time. Airwolf is one of them.

And since I never liked the TV show, anyone who would call themselves airwolf to begin with makes me not want to read their posts.

Are you serious? What kind of guy wouldn't love to have his own kick a-- helicopter hidden in a cave down in Monument Valley, Utah? Besides... the theme music rocks! Great show from the mid '80's! Gimme Airwolf over Hasselhoff's corvette any day!

Didn't like the firebird not corvette show either. I did want a 4X4 power wagon like Simon & Simon drove.

Back in the 80s I used to have the debate with my brother about who would win between blue thunder or airwolf...Maybe that's a good idea for a movie: Airwolf vs. Blue Thunder. It would be a classic, just like alien vs. predator :dry:

You know the 80s vehicle that doesn't get much play anymore, but was the "it" car? Remember Hardcastle and McCormick?

Seems like one of these threads pops up every couple of months and it's always started by someone with like 20 posts. I think the rest of us have built up a tolerance.

Airwolf vs. Blue Thunder is the equivalent of the New England Patriots vs. the Wyoming Cowboys in football!:laugh: Talk

about no contest. Tell me how and why Blue Thunder would defeat Airwolf?:laugh:

Tell me... how does this:

I think it's because Blue Thunder was BYU Blue.

Man: Hasn't got as much spam in it as spam egg sausage and spam, has it?

Wife: What do you mean 'Urgghh'? I don't like spam!

Vikings: Lovely spam! Wonderful spam!

Waitress: Shut up!

Vikings: Lovely spam! Wonderful spam!

Waitress: Shut up! (Vikings stop) Bloody Vikings! You can't have egg bacon spam and sausage without the spam.

Wife: I don't like spam!

Man: Sshh, dear, don't cause a fuss. I'll have your spam. I love it. I'm having spam spam spam spam spam spam spam beaked beans spam spam spam and spam!

Vikings: Spam spam spam spam. Lovely spam! Wonderful spam!

Waitress: Shut up!! Baked beans are off.

Man: Well could I have her spam instead of the baked beans then?

Waitress: You mean spam spam spam spam spam spam... (but it is too late and the Vikings drown her words)

Vikings: Spam spam spam spam. Lovely spam! Wonderful spam! Spam spa-a-a-a-am spam spa-a-a-a-am spam. Lovely spam! Lovely spam! Lovely spam! Lovely spam! Lovely spam! Spam spam spam spam!

Thanks for this. Although I'll have the chant stuck in my head all day long. I love this lil' skit.
