
Any couples headed to Vegas for the big game?

Posted by JaredLloyd - 2007/12/17 09:06

Since I seem to have struck out on my previous request to find families headed to Sin City for the bowl game, I'm now looking for a husband and wife from Utah Valley that will be making the trip for a story for our special section.

If you fit that description and are willing to tell me about it, please email me at jlloyd@heraldextra.com.
