Here is my prediction:

Next Head Coach for BYU Women's Volleyball is Charlene Johnson Tagaloa, former BYU Volleyball player and setter.

I would love to see her to come back to her alumni school.

Would that be great? Right now she is assistant volleyball coach at Nebraska Cornhuskers!

I wonder if he'll keep Mike Wall on as the assistant coach. Of all the great players that have played at BYU, Mike Wall was one of my favorites. He was clutch at the opposite hitter position.

Mike Wall - ASU Women's Volleyball Assitant Coach
