
BYU-LVBowl Sale

I never usually post crap about merchandise, yet i thought i'd mention at BYU bookstore, the 3rd floor (text-book area).
BYU is selling ALL the LV Bowl stuff from this past ucla matchup- 70% off

I just paid \$11.00 for a nice hoodie and they have all kinds of BYU stuff, hoodies, beanie's, hats, shirts, all sizes.

Just to make this post better cause i feel dirty inside.

Recruiting: it'll be a good year, and wait till spring-you'll laugh so hard at the spring game because the evidence will be on the field and BcS will be obvious

yewts: lost another "heartbreaker" as boyley would say, to a team that has only won twice on the road all year, and one of those was to the yewts

BYU: beat an AF team that hasn't lost 2 home games in a number of years...twice in a row.

Thanks for the heads up on the gear...I noticed that BYU MWC 2007 hats at Fanzz are like \$29.99...I almost choked on my tongue.

Is there a large quantity of clothing? I'll have to send my brother down there if the weather isn't too crappy, and the trip is worth it.

Thanks for the info.
