That improves the Tarheels record at home against Clemson to 53-0.

Just imagine if BYU had a 53-game home win streak over Utah.

It would be sweet, even sweeter if it were in football. ;)

Both, we want that kind of winning streak against utah in both football and basketball. Right now I think we have won 5 in a row in basketball and 2 in a row in football. Go Cougs

I appreciate a win over Utah in anything. Except that Dryer's ice cream competition. That's just embarrassing. Hard to say if it's because BYU has more fans or more ice cream indulgent fans. I'm a little upset the gymnastics team lost 196 to 193 to Utah last week. So close in the home opener. Like I said, a win over Utah in (pretty much) anything is great.

Actually, 3 points in gymnastics is a huge difference.

Agreed. A 3 point victory margin in gymnastics is like a 30 point trouncing in basketball.

I wouldn't really call North Carolina clemson a BYU UTah type rivalry. Now South Carolina Clemson is another story. . .

the sad thing about the gymnastics thing, is that supposedly a bunch of Utah's gymnasts had the flue and BYU still couldn't win . . ouch

North Carolina comes back to beat Clemson 103-93 in double over time thriller. Thomas swished two free throws to give the Tar hills the boost they needed to finish off the tigers. Thomas recorded only six points, but each came when UNC needed it.
