
Semi-Retirement

Posted by kitic77 - 2008/02/18 12:59

As many of you know, I'm in the National Guard and my unit is mobilizing next week for a year-long deployment to Afghanistan. I don't know how often I'll be able to log on so, I'm announcing my semi-retirement from Cougarblue for the next year. I'll try to check in every now and then and give you all updates on my service. If any of you are interested in keeping in further touch while I'm gone, let me know. I also plan on filming a bunch of short videos to be like video journal of while I'm gone, so if anyone wants to see that when I get back let me know too.

Go Cougs.

P.S. the team I'm on has been designated as "Team Cougar" we plan on sending Bronco a picture of us on top of a mountain in Afghanistan flying the Cougar flag with pride.
