Posted by Seldawg - 2008/02/21 15:24

They just announced on 1320 kfan that on august 1st the MTN will be on DirecTV. Their source is the San Diego Union Tribune, but Utah and BYU won't confirm the announcement.

Maybe there is some hope.

You can find the article at:

The article quotes the AD at San Diego State who indicates that there will be an official announcement Thursday or Friday.
