No, it is NOT BYU... It is the Ewets (Univ. of Utah)

Here is the link:

It is at the bottom part of 10 teams listing.

That is hilarious. I especially like this part.

"Because often I have no idea where these schools are located. And sometimes I don't even know what their mascots are."

I totally agree with the article... the only team that I hate more than the Crimson up north are those horrible Coastal Carolina Chanticleers. Boy... don't even get me going.

Here in Pennsylvania, Youngstown State is the nemesis. You just gotta hate em! And nobody knows why!

Isn't their mascot a penguin? If so, that's reason in and of itself, no?

Akron Zips? Someone from Kent St must have had a bot run some votes. Akron is sorry in both football and bball. They are one of those teams that can't do two things at the same time. Like play football and be good at the same time.

My favorite Akron memory was back in the early 90's when Florida beat Akron in football like 52-0...we joked around a lot that the "Zips" mascot really represented their scoring capabilities...
