True, but be careful, they are an up and coming program. I mean, they shutout :side: , and as we all know, to quote DimmWhitt, :side: is a "quality" program. They just need to learn how to beat BYU and they can beat every Utah team.
:ohmy:

I look forward to UNLV fans leaving at halftime again this year!

It will be at LES so they're won't be any UNLV fans by halftime, will there?
