
IS sportsline VIP right for me?

Posted by declocoug - 2008/03/16 22:31

Hey I signed up last year and just checked my account. Does that mean I have VIP status? Can I check somehow if I do have the VIP status?

I think you have to sign up again. It still doesn't cost anything. If you think you might have already signed up why not sign up again to make sure?
