I thought perhaps Jorgenson and Dixon would take their areas as the leaders. I wonder who will lead the db's? Fowler?...okay maybe not-time will tell. i'm pulling for G

Dixon feels the responsibility.

"I'm confident other guys will step up, and 2 days in they look good."

"It's good to get out there and teach them"

How's Vic look?

"He's looking good, he's getting his feet down...It's nice to not be fighting him this year, he's beside me now"

Anyone sticking out so far?

"Ya, Howard, Pendlton, and Scott Johnson-all stepping up."

Are you going to watch the BYU A&M game? "Ya, i'm rooting for the cougars, even though they may lose."

I see Fowler stepping up as the leader in the secondary, thats just a guess. I'm sure a captain was chosen, just need to find out who it is.
