
UNLV!

Holy crap, I let my emotions get the best of me when I picked Kent State over UNLV (guess I wanted Kent State to win that much)....And it's like 29-10, with Winky having more points himself than the whole Kent State team....I guess my pick for this one is going down....

Kent State was my first whiff also in my bracket.

I hope 9 seed Kent State= 9 seed Texas A&M. That would be great news for the Cougars.

I picked Kent St as well... Ooh!

I also picked Temple, so I have 2 holes in my armor already!

Go Cougs!

By the way, MMOD rules!

I didn't let my emotions get in the way of my bracket. I have won every single one so far. That includes UNLV. Of course I was a little biased with BYU over UCLA:woohoo:
