The kid is awesome, i've chatted with him before and Luke Ashworth was my friend on my mission in Minnesota. I think both will have breakout years. Has anyone started a BYU group for Diehard fans on Facebook? If so, where do i sign up?

Sorry, I don't know why, but after reading your post I just had to ding your karma.

I don't have any friends at all, I killed my last imaginary friend just last week. Ah...cyberspace, maybe I can makes some friends there. :dry:

I am just curious how you are going to earn it back? You only have like 30 posts and 20 negative karma. I guess it is best to just stay positive.
