
BYU B-Ball picked as a 6??

Wow. <http://sports.espn.go.com/ncb/bracketology?lpos=spotlight&lid=tab6pos1>

Lunardi is pretty generous here. It's way to early to predict, especially if Plaisted does end up leaving (which I doubt he does). Anyway, they have UNLV as a 9. I wouldn't be surprised if UNLV is better than us next year, but who knows? It would be great if we could get a 6 seed though. Go Cougars!!

No, no, no! That bracket would put BYU and WF playing eachother in the Sweet 16. I don't think I could watch a rematch of those teams. The last game made me physically sick! :X
