
update on rashaun broadus

Posted by sjd_33 - 2008/04/26 11:34

He is playing in the IBL for the Edmonton Chill. He lives in Calgary now. My college coach is the coach of the team so we got to scrimmage against them on wednesday. Shaun looked great and they open their season tonight. if you guys want updates then i'll provide them, i just need feedback to see if anyone actually cares or not.
