
Hornets lay the hurt on the Spurs

Posted by Yndian - 2008/05/03 23:13

For once it was the Spurs who faded down the stretch.

Tim Duncan only shot the ball NINE times (and only made one)!!!

The Hornets dominated the second half, and especially the last five minutes, which is usually when the Spurs clamp down on teams.

Looks like I'll be enjoying this series.

PLEASE ESPN!!!! stop the love fest with CP3!!!! I can't take it anymore.

Side note: the guy does play some unreal ball.
