Does anyone know why the game was not on KJZZ? Is the next game going to be on KJZZ? Sounds like I'm in the same boat as jjmterrain.

Game 2 was on TNT last night. It's one of those "Proprietary rights" thing.

It'll be on ESPN; I'm not seeing anything yet on KJZZ

answered my own question <http://www.kjzz.com/programming>

the jazz game will be on kjzz in HD on friday :-)

Every Jazz game I've seen on ESPN this season was also on KJZZ. I guess TNT just has something up their butts.
