## Competition?

I've got to think that if these are the only 4 schools that offer, BYU's got this one in the bag. I don't know why you would want to play for the two MWC teams and get the crap beat out of you by the team that offered. Also, Nebraska has some major issues right now, BUT..... they are one of those glorified BCS teams. :huh:

He's only a Junior. There is a lot of time left for other schools to offer.

Still plenty of time to wait for other offers. Good chance he'll end up being a cougar, but I would not say it is in the bag.

he is the only wr that byu has offered in the 09 class so far. he goes to austin collie's high school, is lds, and dates ac's little sister (when last i heard). while i expect he will get a pile of offers before the summer is over (expect several pac-10 schools to be in that pile), i have heard that it is only a matter of time until he verbals to byu.

one thing to note, he has a 4-star now, but that just happened. until a week ago he was not rated. byu offered him very early, iirc it was when he was a sophomore. what that tells me that their player rating is ahead of the curve.
