
Recruiting Update

Posted by BYUtx - 2008/07/01 12:04

Without giving away too much info from byu.scout.com, I thought I'd post some pretty sweet video highlights of a relatively unknown red-headed prospect.

Awesome Prospect Highlights

(It's a link to youtube, so my appologies to those that can't access the site-especially those on campus. I suggest you check it out when you get the chance.)

I don't think Sage is too happy about being Rick-Rolled. I am still laughing at it happening to me. :laugh:

I was wondering when the ol' Rick Roll would make its way over from Cougarboard. I was thinking about doing it myself, but karma for beating me to it.

Sweet. Anyway, I heard he's Mormon, so it's ok to bring him to the board.

And BYU football has had a thing for tall redheads in the past.
