Haha. Hey Oden, do you post on the Blazers forums at RealGm or BBF? I know they were talking about this over there and there were some pretty funny ideas. Mostly of the Backstabber, Vultures variety.

Watching "Black Gold" the other night, I thought of a good one:

Oklahoma City Worms

It ties into not only the oil industry, but also the character of the ownership group.

lol, so with the name of this thread I thought their new name was the "color ideas".

Anyway, I think they'll probably keep their name, sort of like the Jazz did, but who knows . . .

The Oklahoma "Men"!

There's a lot of material in the Oklahoma State coach's rant to mine (he's 40!).

I must say, as a sonics fan this thread is very depressing for me. I think I'm going to have to become a trail blazers fan :-(

- The Oklahoma Dust Bowls
- The Oklahoma Tornados
- The Oklahoma Brown Sox
- The Oklahoma Lesters (would not work with City in the middle)
- The Oklahoma Men with Gas
- The Oklahoma Grapes of Wrath
- The Oklahoma Orals (after Oral Roberts of course)

Sorry Seattle fans. Us Blazer fans almost lost our team a while back. But if you join us, together, we can rule the NBA! Join us, and we will complete your training. With our combined strength, we can end this destructive conflict, and bring order to the galaxy. There is no escape! Don't make me destroy you! I AM YOUR FATHER!

sorry, got a little carried away there.

At least this deal wasn't carried out on the tarmac of an airport! (See Cleveland Browns)

How about the Oklahome City and Nothing for Miles but We're only 3 Hours North of Dallas - Kind of long for a team name but they may go for using the city motto as the team nickname :lol: .

Those betrayed fans from Hawaii would like this one

Oklahoma Hu (mahu means "gay" but not the happy go lucky enjoying life type of gay, the other "gay" ;)).
